John Preston, ES
Celestine Trainor, ESHF

NON-COMMISSION ATTENDEES:

Alan Abele, Enerco Technical Products

SUMMARY OF MEETING:

Mr. Abele requested the meeting to discuss the feasibility of developing a travelling exhibit to educate children about hazardous products.

Mr. Abele said he had sponsors who may fund the development of such an exhibit and it may be promoted by Case Western Reserve University.

Staff provided Mr. Abele with a copy of the CPSC 1995 Annual Report and a listing of injuries associated with selected consumer products treated in hospital emergency rooms.

Staff also suggested that Mr. Abele may want to contact the Center for Disease Control and Prevention, the National Safe Kids Coalition, the National Highway Traffic Safety Administration and National Safety Council. Phone numbers and the names of contacts at these organization were provided to Mr. Abele.

Mr. Abele asked if staff had any contacts at the Department of Education. In response, staff stated they would ask if the CPSC Office of Public Affairs had such contacts and, if so, would provide them to Mr. Abele.
